Professor, School of Mathematics and Statistics  
Beijing Institute of Technology

To: The Editor  
Journal of the Royal Statistical Society Series B

Dear Editor,

We have attached our manuscript “On the Wilks phenomenon of Bayes factors and the integrated likelihood ratio test” and would like to be considered for publication in the Journal of the Royal Statistical Society Series B. If you have any question, please feel free to contact me by email.

Best regards,

Xingzhong Xu
